INTERESTS

EXPERIENCE

Freelance Artist/Motion Designer, June 2018 – Present
Kansas City, MO

Work with clients on a variety of projects ranging from explainer videos, commercials, logo animations, social media posts, music videos, Twitch graphics and more.

Animator/Motion Designer, February 2016 – June 2018
BicMedia, Kansas City, MO

Established unique style for each video or graphics piece based around client branding and needs. Created and animated storyboards around video script, allowing for client input in every step of the process.

Animator/Motion Designer, April 2012 – July 2015
ProPoint Graphics, New York City, NY

Took charge of project creative content from start to finish, including style and aesthetic, storyboards, motion graphics, all the way to final product. Utilized variety of tools for 3D and 2D animation, vector graphics, photography, video editing and more.

Associate Interactive/Motion Designer, March 2010 – August 2011
Bailey Lauerman, Lincoln, NE

Created motion graphics, 3D animations, video and sound edits for a variety of client projects. Animated short videos for presentations, commercials, web videos, and events.

Art Director, August 2008 – December 2009
The Daily Nebraskan, Lincoln, NE

Created graphics and art for Newspaper articles. Designed information graphics for articles and full page graphic layouts. Worked in a fast paced environment and was assigned art jobs only hours before printing.

Graphics and Web Designer, January 2007 – December 2009
Center for Digital Research in Humanities, Lincoln, NE

Assisted in the design and building of archival and educational websites for the state and education faculties. Created graphics, logos, brochures, websites, and other creative work for both print and digital.
